AEROFLOT'S INFLIGHT MAGAZINE FOR ST. PETERSBURG VISITORS, SPRING 1992 NO. 6

Timur Novikov: "Viktor Tsoj"

# ***The Ex-Underground Cultural World of St. Petersburg***

*There was a time when Russians were reluctant to communicate with the West. A foreigner visiting Leningrad would most likely be left well alone except by the odd black marketeer. Unless, that is, he happened to run into one of the city's bold young people – from the world of underground culture. Today, they have very much come out of the shadows and are busy learning even more about how to speak to the West.*
